Volunteers Needed at Father Baker Manor

ORCHARD PARK, NY – Consider giving back to the community in a special way. Father Baker Manor, a nursing home and subacute rehabilitation facility, is in need of dedicated volunteers. Located at 6400 Powers Road in Orchard Park, the healthcare facility has a particular need in the following areas.

- **Eucharistic Ministers** - These volunteers bring Eucharist and fellowship to the Catholic patients at Father Baker Manor.
- **Volunteers to Help with Resident Activities**- These volunteers will assist staff and residents with various activities that may include trips out of the building for shopping or entertainment, seasonal and holiday celebrations, or a morning exercise program to start the day. Daily activities are geared to all levels of cognition and dexterity.

All volunteers receive special training, followed by ongoing guidance and support. Individuals interested in volunteering for Father Baker Manor should contact Heide Cornell, Director of Volunteer Services at Catholic Health, at 716-319-8405 or email at hcornell@chsbuffalo.org.
