Jiantao Xiao, MD, PhD, Joins Cardiothoracic Surgery Team at Catholic Health Heart Center

Buffalo, NY—Jiantao Xiao, MD, PhD, recently joined the cardiothoracic surgery team at the Catholic Health Heart Center at Mercy Hospital. Dr. Xiao practices with Mercy Hospital Cardiothoracic Surgical Associates.

Board certified in Surgery by the American Board of Surgery, Dr. Xiao completed his fellowship in Cardiothoracic Surgery at Albert Einstein College of Medicine in New York, NY. Prior to that, he completed his surgical residency at the Jacobs School of Medicine and Biomedical Sciences at the University at Buffalo.

Also recognized for his accomplishments in research, Dr. Xiao was awarded postdoctoral research fellowships from Emory University, 2006 to 2010, and Harvard Medical School, 2010 to 2011, where he focused on basic science studies of aortic aneurysm formation mechanism.

Dr. Xiao graduated from Peking University Health Science Center in Beijing, China where he received both bachelor and doctoral degrees of Medicine. He completed his integrated Cardiac Surgery residency at Peking University First Hospital, where he later served as an assistant professor and attending cardiac surgeon.

Dr. Xiao has received many clinical and research awards during residency and fellowship training, including the Arnold P. Gold Foundation Humanism and Excellence in Teaching Award.

Dr. Xiao's office is located at the Mercy Hospital Cardiothoracic Surgical Associates, Marian Office Building (next door to the hospital). 515 Abbott Road, Suite 310; phone 716-923-9650.
