## ***Advanced Cardiology Group Joins Catholic Health's Trinity Medical Cardiology***

Catholic Health is pleased to announce that Bruce Platt, MD, and his medical practice Advanced Cardiology Group have joined Trinity Medical Cardiology, part of Catholic Health's growing multi-specialty physician practice network.

As part of this transition, Advanced Cardiology Group's office, located at 1616 Kensington Avenue in Cheektowaga has become a Trinity Medical Cardiology location. With this latest addition, Trinity Medical WNY has seven cardiology practices in Erie and Niagara counties.

"The transition will be a seamless one for my patients and staff," said Dr. Platt, who also serves as Chief of Cardiology at Sisters of Charity Hospital and its St. Joseph Campus. "I've been affiliated with Sisters Hospital and Catholic Health for 38 years, and share their focus on providing patients with the highest quality care and service, so I am pleased to be able to continue the next stage of my career as part of Trinity Medical Cardiology."

A Buffalo native, Dr. Platt completed his residency training at Mercy Hospital of Buffalo and a cardiology fellowship at Albany Medical College. He is joined by cardiologist Eram Chaudhry, MD, at Trinity Medical Cardiology's new Kensington Avenue location.
