The M. Steven Piver Center for Women’s Health & Wellness is pleased to welcome Praba Jeyalingam, MD, to its practice. Dr. Jeyalingam is an experienced GYN surgeon who completed a fellowship in minimally invasive gynecologic surgery and is proficient in performing a variety of complex robotic procedures.

Board certified in obstetrics and gynecology, Dr. Jeyalingam specializes in pelvic reconstruction, pelvic organ prolapse, fibroids, endometriosis, ovarian cysts, tubal reversal, and abnormal uterine bleeding. She completed an Obstetrics and Gynecology residency through the State University of New York at Buffalo residency training program at Sisters of Charity Hospital. Dr. Jeyalingam earned her medical degree from the Medical University of the Americas in Nevis, West Indies.

“It is a privilege to care for women’s pelvic health and offer my patients a comprehensive evaluation and treatment options to manage their conditions,” explained Dr. Jeyalingam. “My passion and expertise are providing women the least invasive surgical options using robotic assisted laparoscopic technology that significantly reduces surgical risk and recovery time.”

Located on the campus of Sisters of Charity Hospital, the Piver Center has been at the forefront of advanced gynecologic surgery since 2009. In addition to GYN surgery, the Piver Center provides a wide variety of services to meet the needs of women at all stages of life, from prenatal care and obstetrical services to routine GYN and mammography screenings.

Dr. Jeyalingam is accepting new patients at the M. Steven Piver Center for Women’s Health & Wellness, located at 2121 Main St., Ste. 100, Buffalo, NY, 14214. To schedule an appointment, call (716) 862-1965.
