Catholic Health Hospitals Host “On the Spot” Hiring Events in August

Recruitment bonuses of up to \$30,000 available for eligible clinical positions

Interested in beginning or growing your career in healthcare? Catholic Health is holding open interviews in August for clinical positions at its hospital locations in Erie and Niagara Counties. Hospital managers and recruiters will be on hand to accept applications, conduct private interviews, and make “On the Spot” job offers at the following locations:

- August 1, 11am - 5pm, at Kenmore Mercy Hospital, 2950 Elmwood Ave., Kenmore
- August 2, 11am - 5pm, at Sisters of Charity Hospital (includes St. Joseph Campus), 2157 Main St., Buffalo
- August 3, 11am - 5pm, at Mount St. Mary’s Hospital (includes Lockport Memorial Hospital), 5300 Military Rd., Lewiston
- August 9, 4 - 7pm, at The Ridge West Seneca, 555 Orchard Park Rd., West Seneca, for positions at Mercy Hospital of Buffalo

As one of the area’s largest healthcare providers, Catholic Health has numerous employment opportunities on all shifts for registered nurses and graduate nurses, nurse attendants, immediate treatment assistants, surgical technicians, and respiratory therapists. All employment offers include bonuses of up to \$25,000 as well as an additional \$5,000 for night shift nursing positions at Mercy Hospital.

Catholic Health is an equal opportunity employer offering competitive compensation and benefits, including paid health insurance, company sponsored pension plan, paid time off, group discounted dental and vision benefits, and tuition assistance programs.

To schedule an interview at any of the “On the Spot” hiring events, visit chsbuffalo.org/august.

Walk-ins are also welcome. All attendees are asked to bring a current resume.

Referral bonuses of up to \$5,000 are also available to anyone who successfully recommends a candidate who is hired for bonus-eligible positions throughout Catholic Health. For more information on Catholic Health’s Referral Bonus Program, visit chsbuffalo.org/referral.
